

'Who killed JFK?'

Flash
subject of talk

slated March 17

"Who Killed JFK?" is the topic of a lecture and slide presentation to be held at Western Maryland College at 8 p.m. on Wednesday, March 17 in Alumni Hall.

The program presented by the Assassination Information Bureau will provide various photographic and film evidence of the conspiracy that killed John F. Kennedy.

The Assassination Information Bureau is an independent organization which investigates and publishes their findings about political assassinations in this country.

A question and answer period will follow the program. This lecture is a special event scheduled as part of the college's 25th anniversary celebration. Admission is free and the public is invited.
